

How to get there?

By road

From the South (Colmar, A 35)

Take the exit "Strasbourg Centre, at the 1st and second traffic lights drive straight down the main road. Hold the direction "Petite France", keeping to the left while passing over the bridge "Frères Matthis". At the traffic light, turn left and then keep to the left in direction of "Petite France". After the traffic light, turn left towards the "Covered Bridges" at the beginning of the pedestrian area, after the restaurant "Marco Polo", turn right onto the "Woerthel" quay, the Regent Petite France is at the end of the quay. WELCOME!

From the North (Paris, A4)

Take the exit "Porte Blanche" and follow the direction "Petite France".

At the 3rd traffic light turn to the right and continue straight for the next 10 meters, then at the 1st traffic light, turn to the left and continue driving straight. Hold the direction "Petite France", keeping to the left while passing over the bridge "Frères Matthis", then turn left at lights. After the next traffic light, turn to the left towards the bridge "Les Ponts Couverts" at the beginning of the pedestrian area, after the restaurant "Marco Polo", turn to the right onto the quay "Woerthel". The Regent Petite France is at the end of quay. WELCOME!

Coming from Germany (Kehl)

After the border, take the direction "Strasbourg Center" for a few miles and you will arrive at the "Place de l'Etoile". Follow the sign "City Center - Civil Hospital", along the quays, at the 3rd light turn right and follow "Petite France - Civil Hospital". Follow the direction "Petite France - Hotel du Department", at the 2nd traffic light, turn left. You are now on the "Place Henri Dunant". From there, go straight to the bridge "Les Ponts Couverts". At the beginning of the pedestrian area, after the restaurant "Marco Polo", turn right onto the quay "Woerthel". The Regent Petite France is at the end of the quay. WELCOME!

Our driver will be pleased to take your car. (Valet parking service available to residential customers.)

By train

Strasbourg, one of the biggest railway stations in France, is connected by direct lines to many cities of the hexagon (Paris, Lyon, Marseille, Nice, Montpellier, Nimes, Lille. Bordeaux, Nantes and Toulouse are connected only in summer. Strasbourg is also located at the intersection of major international routes and also benefits from excellent connections with many European cities (Brussels, Luxembourg, Basel, Bern, Zurich, Stuttgart, Munich, Saarbrücken, Salzburg, Vienna, Milan, Rome, etc..)) Since 2007, thanks to the TGV Strasbourg is about 2h20 from Paris, Brussels 3:00, 4:00 Nantes and London, 5:00 Bordeaux.

The tram way is connected with the train station.
